**TUCSON'S MEXICAN FOOD SINCE 1922**

**SENSIBLE RECIPE SUGGESTIONS**

**☐ No Hormones or Antibiotics?**

Our delicious chicken recipes now feature 100% cage free options or 100% natural varieties and we now feature steak recipes that are also grass fed & natural!

**☐ Low Carb Diet?**

Lower your carbs with lettuce wraps for tacos over tortillas

**☐ Gluten Free? GF**

All of our sauces and salsas as well as most of our protein dishes are already Gluten Free  
Even our chicken nuggets for kids are Gluten Free

**☐ Lower Sodium?**

Ask us to grill your fish or chicken in no salt Mrs. Dash, we will be glad to do so!

**☐ Low Fat?**

Consider these salad dressings and options:  
Carlotta's Chopped Salad without cheese  
Try our famous Topopos without Cheese and using our Serrano Grape Vinaigrette

**☐ Sustainable Seafood?**

All Seafood and New Salmón Picado is Sustainably Sourced

**☐ Non-GMO?**

Most of our produce is already purchased from Non-GMO and HACCP certified suppliers!

**☐ Lower Cholesterol?**

Did you know that our El Charro salsa is loaded with fresh garlic? Nature's cholesterol defense!

**☐ Indulge In Moderation?**

How about a skinny margarita made with Patrón Silver and lo-glycemic index Agave Nectar?

**☐ Unique Allergies?**

While we can't guarantee against cross contamination or that we can accommodate all requests, we will try our best!

**☐ Some like it sweet!**

We now feature Stevia 100% natural sweetener and have eliminated food ingredients with high fructose corn syrup

**☐ Need water?**

Please ask, here in the desert; we have to be water smart!

**☐ Trans Fats?**

We never add or fry with any trans-fat oils

*Thank you for dining with us for 93 delicious years!  
We look forward to serving you, your family, and friends the  
finest quality Mexican recipes for years to come!*
