**El Charro Café and The Flores Family
Welcome you to celebrate our 95th year in business with our annual
“Cinco de Summer Menu”!**

**Each year, El Charro Café creates a special value menu to offer our local Tucson
guests who join us in surviving the dry heat of our Sonoran Summer!**

This year, our “Cinco de 5.95 Menu” is a fun play on the theme!

**Our family and team members are so grateful that we are able to continue in the footsteps
of our Great Tia Monica who founded El Charro some 95 years ago to feed all of her hungry
friends and neighbors, something we proudly continue in our three Tucson-area restaurant
locations and through our full service catering division.**

We hope you enjoy these recipes and all of our other menus.

**Please let us know if we can do anything special for you or your guests as that’s
why we are here today; because of all of you!**
